LOVE WILL RADIATE FROM TIMES SQUARE ON VALENTINE’S DAY

Two Weddings, Two Surprise Proposals, and a Vow Renewal on the Red Steps

(Times Square, N.Y. – February 7, 2023) On Valentine’s Day, New Yorkers and visitors looking for romance in New York City will find it at the Crossroads of the World with Love in Times Square. Each year, lovers surprise their partners with marriage proposals under Times Square’s iconic American Eagle screen; couples tie the knot on Duffy Square; and New Yorkers and visitors renew their vows on the Red Steps. These real life love stories will unfold in front of the 15th annual Love and Design Competition winner Love’s h|Edge by Almost Studio. This year, Love in Times Square is proudly presented by the Times Square Alliance and Minted Weddings, the premium design marketplace helping couples design their forever.

Love in Times Square will follow the below schedule on Valentine’s Day:

11:00 am – Wedding #1, officiated by a special guest
11:30 am – Surprise Proposal #1
12:00 pm – Wedding #2, officiated by a special guest
12:30 pm – Surprise Proposal #2
6:00 pm – Vow Renewal on the Red Steps (Registration: TSQ.org/Vows)

More details about the weddings:

• At 11:00 am the first couple will get hitched right in the heart of Times Square. She is a self-proclaimed “theatre geek” and a passionate lover of Broadway since she was 8 years old. She met her partner during COVID and they have spent many nights in Times Square seeing shows, going to restaurants, and even braving the cold and long hours to celebrate Times Square New Year’s Eve. Now, Times Square, the very backdrop to their favorite relationship memories, will be their wedding venue.

• At 12:00 pm a second couple will formalize their union. They met 21 years ago when he auditioned to be in her band. Since then they have been raising two children together in New York City and decided that Times Square was the perfect place to finally tie the knot.

More details about the proposals:

• At 11:30 am and 12:30 pm, a diverse set of lucky lovers, will be surprised with a Valentine’s Day gift that they – and everyone else in Times Square – won’t see coming and won’t soon forget: a surprise marriage proposal, featuring a design by South African-based Minted Weddings artist Carmia Jordaan, will appear on Times Square’s iconic American Eagle billboard.

Details about the couples will be available onsite at the event and they will be available for interviews after their big moment. Please reach out to TJ Witham at tjwitham@tsq.org for any specific requests.

A Minted Weddings spokesperson will also be available to speak to wedding trends, including elopements and microweddings. Couples look to Minted Weddings to design their forever— the
premium source of wedding goods for design-centric couples helps them uniquely express their personal love stories. Please reach out to minted@laforce.nyc about interview requests.

- Beginning at 6:00 pm, a celebration of love and commitment will take place outside on the iconic Red Steps in Times Square. The ceremony is free and open to people of all ages, genders, religions, races, and backgrounds. Couples will also receive sweet gifts: Raaka’s new coconut milk minis and a voucher for Minted Weddings Stationery.

Those interested in attending can register here: TSq.org/Vows.

All of the festivities will overlook and engage with the winner of this year’s 15th Annual Love and Design Competition: Love’s h|Edge by Almost Studio. A playful configuration of four heart-shaped hedge rows, Love’s h|Edge invites visitors to journey through hidden pathways, rose-filled trellises, and heart-shaped interior spaces endearingly termed “Pitter-Patios.” Leveraging the theatricality of landscape design, the maze-like installation becomes a stage for exploration, play, and chance encounters.

Much like Times Square itself, Love’s h|Edge is a dynamic, multi-sensory experience and will evolve over the course of the month. Each day at 1pm, Times Square Arts and Almost Studio will stage a free dedication of freshly cut roses, and visitors will be invited to “Fill Up the Heart” by adding their flowers to the trellises of the Pitter-Patios as a personal acknowledgement and public gesture of love.

For Valentine’s Day only, couples and passersby will be able to take their photo in front of a vintage New York City taxi overflowing with bountiful blooms thanks to Minted Weddings. Couples will commemorate Valentine’s Day with a photo opportunity budding with love and nostalgia. The sculptural floral installation juxtaposed against the iconic Times Square will be designed by Catherine Dash and Fernando Kabigtung.

Footage and images of the Valentine’s Day Love in Times Square events will be available upon request after the event.

While in Times Square for Valentine’s Day, we encourage everyone to rediscover their favorite local spots and explore hidden gems offering special menus, gifts, and offers, including Marriott Marquis and Broadway Lounge, Gordon Ramsay’s Fish & Chips (recently opened), The New Victory Theater, PS Kitchen, Ellen’s Stardust Diner and more. **ABOUT ALMOST STUDIO**

Almost Studio is a Brooklyn-based design practice established in 2018. Their unique approach considers a successful project as never complete and always becoming: exposing unknown cultural, social, and spatial potential as time passes. In that sense, the process of design and the close-out of construction is simply the starting point of their projects. Focused on process rather than style or typology, Almost Studio challenges commonly held beliefs, conventions, and canons at all project scales. This has led to recognition and publication of many projects including exhibitions, castles, installations, urban design, furniture, fashion runways, residences, storefronts and art festivals. Current and past projects include work with the Ragdale Foundation, Yale University, Museum of Fine Arts Houston, Chloé, Sandy Liang, ArtPrize, Dallas Contemporary, New York Fashion Week, and private residences in New York, Ohio, California, Maine, and Villecien, France.
